The Smithfield Street School where the basic course in watchmaking is taught

# *Strip in 3 fold card file & Watch Repairing . . .*

*4B-N 1108*

PHYSICALLY  
HANDICAPPED

... the ideal vocation for the physically handicapped, a highly profitable profession that the disabled man or woman can master even unto the autumn of life. You can always be financially independent as the work can be done at home if necessary.

## *Our Basic Preparatory Watchmaking Course*

... is taught at our downtown Smithfield Street School. There

you will receive a certificate of merit to enter our Ridge

Avenue Master Watchmaking School. You will receive the training from both schools for the price of one.
